JAGADHA SALES ANALYSIS

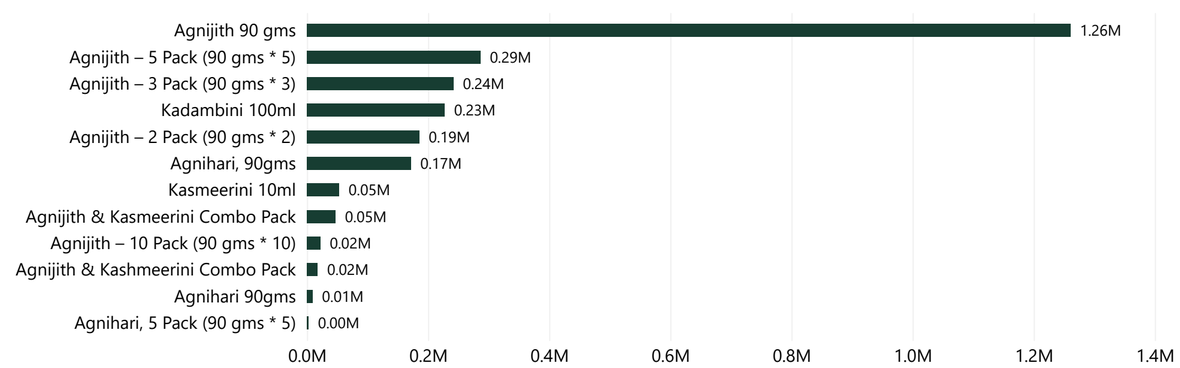

Total Orders	Total Revenue	Total Revenue INR	Total Revenue USD	Total Products Sold	Average Order Value
690	2.52M	1.35M	13K	1.08K	3.66K

Total Revenue and Total Orders
by Quarter, Month and Year

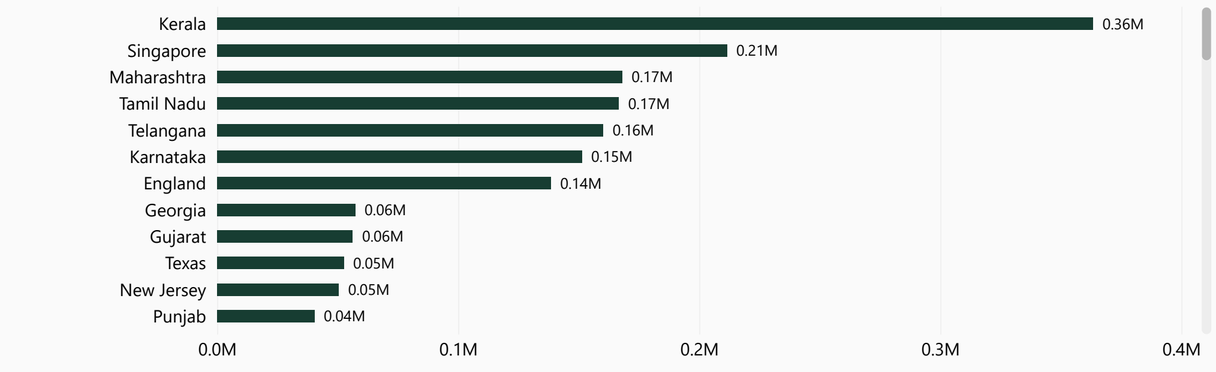

- October 2025 is the highest month at about ₹210k, mostly from one ₹154k Singapore order.
- May 2026 is the busiest month ever with 83 orders, more than double any other month.

Total Revenue
by Product Item 1 Name

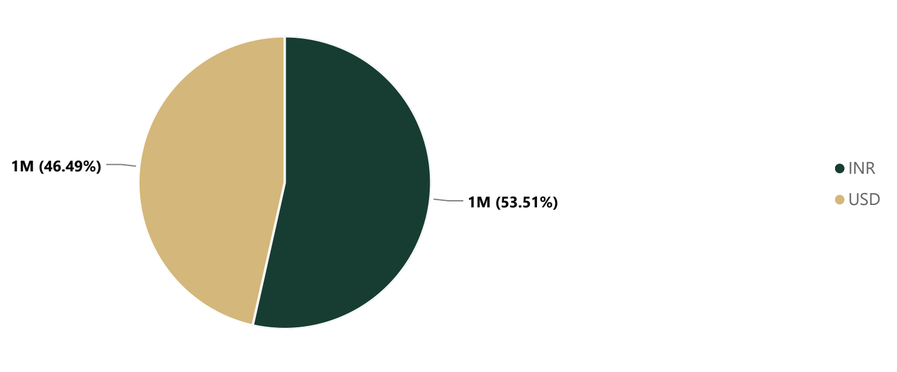

- Agnijith 90 gms is the top product by a wide margin, and its 5-,3- and 2-packs come next.
- Agnihari, Kasmeerini and Kadambini are small compared with Agnijith, so sales depend heavily on one product.

Total Revenue
by Shipping_state_clean

- Kerala is the largest market with ₹363k from 235 orders (34% of all orders).
- Singapore ranks second with ₹211k from only 4 orders, so one large order can outrank whole Indian states.

Total Revenue
by order_currency

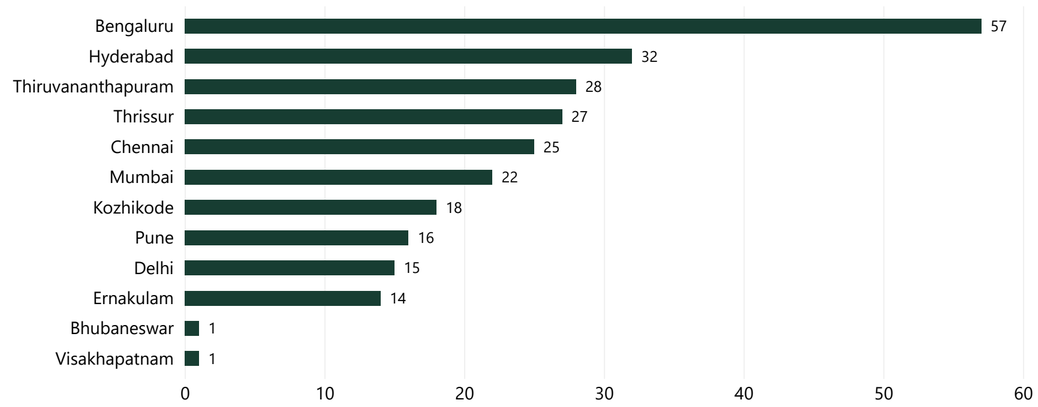

- INR orders bring in 53.5% of revenue, USD orders 46.5%.
- USD is only 11.7% of orders, so overseas customers spend much more per order (about ₹14,488 vs ₹2,218).

JAGADHA REGIONAL SALES ANALYSIS

Total Countries	Total Shipping States	Total Cities	Top State	Repeated Registered Cust…
24	73	269	Kerala	6.50%

Top 10 City by no: of orders

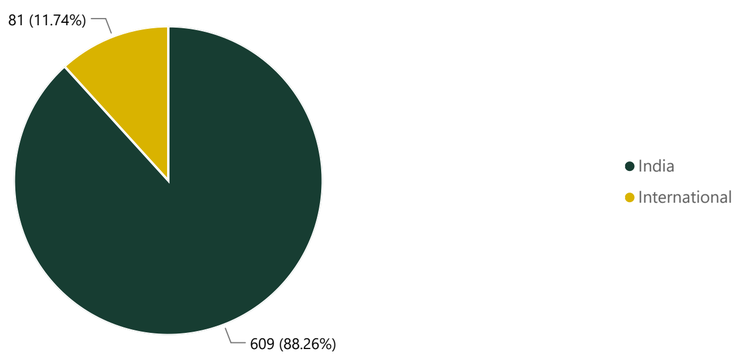

- Bengaluru has the most orders (57, 8% of all orders), well ahead of Hyderabad (33) and Thiruvananthapuram (28).
- Four of the top 10 cities are in Kerala (87 orders), and the top 10 together place 256 of 690 orders (37%).

Geographic Sales Distribution

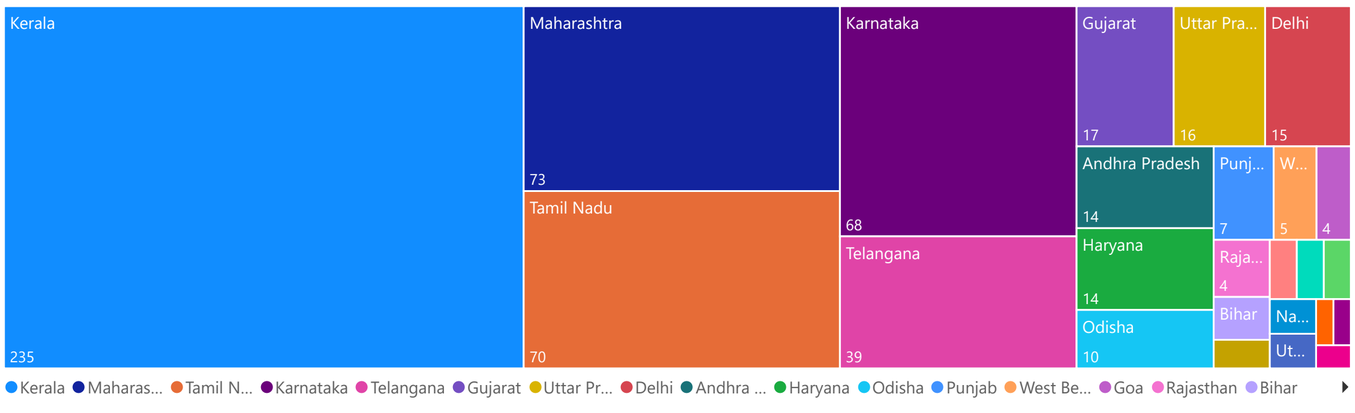

- India brings in 53.5% of revenue (₹1.35M), and the United States is the largest overseas market at ₹431k (17%).
- Orders reach 24 countries, but apart from the US, Singapore (₹211k) and the UK (₹172k), each country is under ₹50k.

Total Orders by Region Type

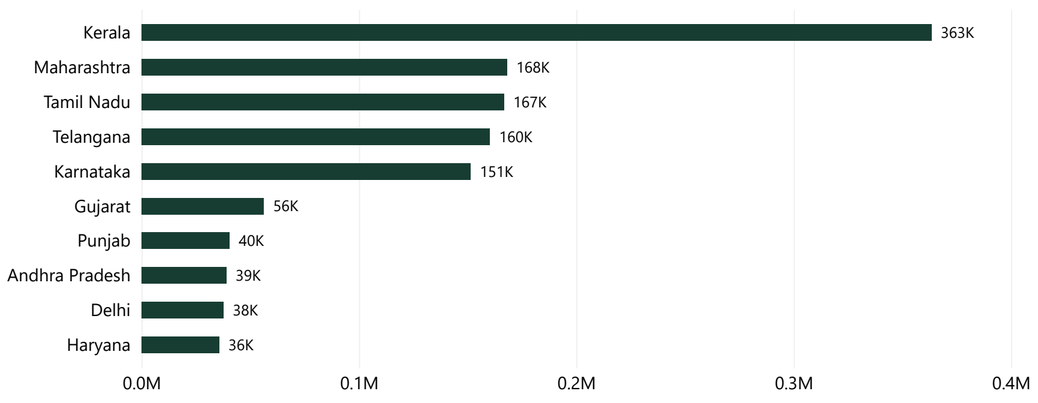

- 88.3% of orders (609) ship within India and only 11.7% (81) go overseas.
- Those 81 overseas orders bring in 46.5% of order value, because the average overseas order is about ₹14,488 against ₹2,218 in India

Total Orders in India

- Kerala leads regional demand with 235 orders (34% of all 690 orders), exceeding Maharashtra, Tamil Nadu, and Karnataka combined (211 orders).
- The top five states account for 485 orders (70%), indicating that order volume is concentrated in a small number of key regions.

Top 10 Indian States by revenue

- Kerala leads with ₹363k, 26.9% of Indian-order value and more than double Maharashtra (₹168k).
- The top five states (Kerala, Maharashtra, Tamil Nadu, Telangana, Karnataka) bring in about 75% of Indian-order value, and the top 10 together bring in ₹1.22M (90%). After Karnataka (₹151k) the chart drops sharply to Gujarat at ₹56k.

Billing vs Shipping City

- Billing and shipping cities match for 682 orders (98.84%), suggesting that most customers have their orders delivered to the same city as their billing address.
- Only 8 orders (1.16%) have different billing and shipping cities, indicating limited cross-city delivery to alternative addresses.

Kerala leads with 355 units sold, making it the strongest-performing state in the displayed state comparison.
Agnijith 90 gms records the highest product quantity across the states shown, indicating that it is a key driver of domestic sales. The business could investigate demand patterns in Kerala and similar markets to identify expansion opportunities.

Monthly Units Sold and Revenue Trend

October 2025 shows a major revenue spike of approximately ₹0.21M, indicating a period of particularly strong sales. This month could be investigated for seasonal demand, promotions, or bulk orders.
July 2026 records the highest visible quantity sold, at 122 units, alongside revenue of approximately ₹0.16M. This suggests a strong sales period, although revenue and quantity do not always rise proportionally.
